### Important Red Cedar School meeting

Join us on Tuesday, Feb. 9th at 7:00 p.m. for a Red Cedar School meeting to give input to East Lansing School Superintendent Dr. David Chapin about a new principal for the school. Mindy Emerson will be retiring at the end of this school year, and Dr. Chapin has asked for parent and neighborhood input in this important decision.

Our school board will be considering the closure of some elementary schools in the near future; this would be a good time to express our strong regard for the unique role that Red Cedar plays in our university community and especially in our neighborhood. **PLEASE PLAN TO ATTEND!**

### Harrison Road Work, Closures May-August

Harrison Road reconstruction is scheduled to begin at the start of MSU's summer break – around May 10 – with separate lane closures and detours through Aug. 20.

Both lanes are expected to be closed between Trowbridge and Shaw/Marigold for the final phase in August.

Near the end of the project, which involves installing a 16-inch water main, the Lutheran Church and Islamic Center will temporarily use Narcissus and Daisy for access.

The traffic diverter at Marigold and Harrison will be removed temporarily to open the Marigold-Shaw Lane connection to and from campus, then replaced in some form.

#### A summary of the phases:

**Phase I** – Southbound Harrison: Shaw to Kalamazoo (Mid-May to early June) – Southbound lanes closed. One-lane, two-way traffic in northbound lanes. Shaw, Marigold and Lilac closed at Harrison.

**Phase II** – Northbound Harrison: Shaw to Kalamazoo (Early to late June) – Northbound lanes closed. One-lane, two-way traffic in southbound lanes. Shaw, Marigold and Lilac closed at Harrison.

**Phase III** (Late June-late August) – Harrison closed, all traffic detoured. Wilson, Lilac and Sever closed at Harrison.

### Annual Neighborhood Meeting

We invite all who live in the neighborhood to attend our annual meeting on **Thursday, April 22nd** at the Red Cedar School. We will have updates on the university's future plans for the Cherry Lane apartments as well as the state police post on S. Harrison as well as the neighborhood/city planning committee looking at possible future Trowbridge redevelopment.
