To all our new neighbors – WELCOME. You've chosen a great place to live!

As your association, we try to preserve the quality of life in our neighborhood by providing a forum and hopefully resolution to any neighborhood problem brought to our attention. We also keep you informed about any new projects that are being proposed for our neighborhood or adjacent properties. Please feel free to attend our meetings or contact any one of us if we can be of assistance.

The RCCA Board meeting dates, agendas, minutes and lots of other information are located our web site: <http://www.eastlansingneighborhoods.com/RedCedar>.

The best way to receive information including emergency notifications is to sign up for our email notification list at russell64@comcast.net by sending your name, address and email address.

Upcoming events

Friday, August 29

MSU vs. Jacksonville football game 7:30p.m.

Be aware that traffic can be extremely heavy both before and after games. Plan your trips accordingly. There will most likely be fireworks that evening.

Wednesday, Sept. 10

Ice Cream Social & Bike Registration 6 to 7 pm

The annual Ice Cream Social, sponsored by the Community Relations Coalition, will be held at 1054 Marigold. Come meet your neighbors and bring your bike for a free city bike registration.

All bikes in the city and on campus must bear a current and valid license or permit to avoid fines. Registering your bike provides law enforcement with a tracking tool in the event that your bike is stolen and will prevent bikes from being impounded on campus as the East Lansing permit counts for campus too!

Saturday, Sept 13

Neighborhood Garage Sale 9a.m. to 3p.m.
RCCA will place an ad in the City Pulse. You just need to fill your driveway.
