

Hawk Nest Elections

Congratulations to Megan Henriksen and Howard Heideman on their election to the Hawk Nest board for a two year period beginning 4/1/15. Also, many thanks to Aaron Irving for his service on the board for the past several years.

HNHOA Officers

The officers for this year are:

President – Anne Hill

Vice President – Morell Boone

Secretary – Kwafo Adarkwa

Treasurer – Megan Henriksen

At-Large – Howard Heideman

Hawk Nest Committees

We are looking for assistance from our community on committees. The Communications and Outreach (which includes both the Welcome Wagon and the Recreation Committee) Committees could benefit greatly from the assistance of neighborhood volunteers. We put some more money in the budget this year for recreational activities (e.g. events in the park). Also, we funded the newly created Welcome Wagon, which we believe will be very helpful – especially with the new homes in Phases IV and V. Anyone interested in working on a committee should send a note of interest to the Hawk Nest g-mail account at: hawknesthoa@gmail.com or mail correspondence to: Hawk Nest HOA, P.O. Box 1404, East Lansing, MI 48826. Letters of interest must be received by April 30th.

2015 Annual Dues Invoices

The invoices for annual dues have been sent. We have maintained our current \$200/year for 2015. If you did not receive an invoice in the mail, you are set up to receive it via e-mail. Be sure to check your junk folder to make sure it did not end up there by accident. Payment for

invoices is due by April 30, 2015. A \$10 late fee will be assessed to all accounts not paid by that date.

Phase III Road Update

The developer has made arrangements with Spartan Asphalt to complete the final coat of pavement at the end of April. We will not have to wait until later in the summer. The actual date has not been scheduled, but we will let you know as soon as we find out. Just as a reminder, we will need all cars out of the Phase III streets on that day. Your driveway should only be blocked for a few minutes. More details to follow. As a reminder, Shearwater will only be repaired, while the other streets will be completed to their final level.

Regular Spring News Items

- Just a reminder to check your sump pump to make sure it's draining well.
- Peddlers must have a license issued by the City of East Lansing. Be extra careful for magazine peddlers (per the police dept, they frequently are scams).
- As always, please pick up after your dogs.
- The speed limit in the community is 25 mph. With so many small children and pets in the community and the houses so close together, slower is better.
- Snow mold can develop in your yard over the winter months. To help prevent this, rake any remaining leaves and dead grass on your lawn.

The next meeting of the HNHOA will be held on Wednesday, May 6th at 6:30 p.m. at the East Lansing Public Library. The community is encouraged to attend.
