

Red Cedar Community Association

<http://www.eastlansingneighborhoods.com/RedCedar>

You are invited to come share a dessert and visit with new and old neighbors; to learn about the upcoming summer reconstruction road projects; help us decide how to spend a \$250 mini grant; to suggest new events or projects and to help us preserve the things we enjoy about our neighborhood and work to change the things that negatively affect us. We welcome your input.

Join us for our neighborhood association's Annual Meeting on:
